Saturday Workshop Topics:

General Session:

- Inflammatory Breast Disease... what does this diagnosis mean?

Breakout Sessions:

- Are you making healthy nutritional choices?
- Diabetes Mellitus... just who is at risk and why?
- Gynecological cancer treatments... what you need to know!
- Hematology... does your blood tell a story?
- Nurse Navigators: compass, guide, advocate?
- So you need an endoscopy and a colonoscopy... what should you expect?
- Xtra... Xtra... calling all men!

C. Ted Lick Wildwood Conference Center
HACC, Central Pennsylvania's Community College
One HACC Drive, Harrisburg PA 17110

This program was partially funded by a Community Partnership Grant provided by the American Cancer Society Making Strides Against Breast Cancer (MSABC) event.
